## Product Discontinuation Notice

Dear Valued Kuraray Customer,

This letter is to notify you that our products Mowital B 45 M and Mowital LP BX-860 will be discontinued. Both grades are commonly used as binder for coatings and printing inks.

Products will be available while supplies last and no later than December 31, 2017.

This discontinuation affects the following material numbers:

Material Number	Description	Packaging
84010102	Mowital B 45 M	15 kg paper bag

### Suggested Replacement:

Mowital B 45 H

Material Number	Description	Packaging
84250102	Mowital LP BX-860	15 kg paper bag

### Suggested Replacement:

Mowital B 60 H

We regret any inconvenience this situation may cause. For assistance with product selection for your specific application, please contact Kuraray's Technical Service at +49 69 305 85729 (EMEA), +81 3 6701 1422 (ASIA) or +1 2489 229582 (AMERICAS). You can also reach us at [Marketing-PVB@kuraray.com](mailto:Marketing-PVB@kuraray.com).

We appreciate our partnership and look forward to assisting you.

Yours sincerely,

i.V. Jörg Bruss  
Director, Global Business - Technical Resin
